APPLICATION FOR ORDER POWERS OF ATTORNEY 2014

WHAT VCAT CAN DO

The Victorian Civil and Administrative Tribunal (VCAT) can make orders about enduring powers of attorney or supportive attorney appointments.

We can suspend, cancel or vary an appointment, decide if an appointment is valid, determine the liability of attorneys, resolve disputes between attorneys, order compensation for loss caused if an enduring attorney does not comply with the *Powers of Attorney Act 2014* or decide whether a transaction by an attorney is valid.

TERMS USED IN THIS FORM

We refer to the 'principal' and 'attorney' throughout this application form.

The principal is the person who appointed an attorney to act on their behalf.

The attorney is the person appointed to make financial and personal decisions on behalf of the principal.

YOU NEED TO PROVIDE A MEDICAL REPORT

As the applicant, you are responsible for providing VCAT with a copy of a recent and relevant medical report for the person who has an attorney.

We need a medical report to help establish the disability or inability to make reasoned decisions. You can download a medical report template to be completed by a medical practitioner from our website, go to www.vcat.vic.gov.au/medicalreport.

Exceptions

You will not be required to provide a medical report when any of the following applies to you:

- you provided a medical report in the last three months and circumstances have not changed
- the person who made the power of attorney has passed away
- you are applying to resign as attorney.

If you are unsure if you need to provide a medical report, contact us.

PRIVACY POLICY

If you wish to know how VCAT may use the information you provide, refer to VCAT's privacy statement on the website (www.vcat.vic.gov.au/privacy). In most situations, VCAT is not allowed to publicly disclose information about a person apart from publishing decisions, repeating anything said or done at a public VCAT hearing and allowing the public to search the register and files.
